Keep your attendees in the know

Make the most out of your events by engaging and keeping the attendees informed through a minute-by-minute session commentary. Create informative pages, link polls, and allow session ratings to keep the attendees connected on the go.

Build up community with attendees communication

Communication among delegates creates networking opportunities that build up a community and bring delegates together.

Enhance sponsors visibility

Maximise visibility of the event sponsors by adding sponsor logos, exhibitor lists and floor plan with markings. Add direct links to sponsors/ exhibitors websites to create awareness and increase booth traffic.
